Subject: RE: Water Source Agency

Jhoanna Oamilda,

I have indicated in my previous e-mail to Donald Emukpoeruo that our construction water fill station facility is available for any contractor or agency. That includes any contractor that is working in Alpine County on the State Routes listed that wishes to venture to our location in Gardnerville. Potential users need only follow the directions given in my e-mail to Mr. Emukpoeruo.

The simple answer is yes. Please contact our office at the address or phone number listed below for applications for service.

Good morning,
We have a question about the email below. Our project is in Alpine County on State Route 88 and 89, can we utilize your facility to provide construction water for our project in Alpine County? Please confirm. Your immediate response is greatly appreciated.

Thank you.

Mr. Emukpoeruo,

Re: Construction Water Supply, Gardnerville Water Company, Gardnerville, Nevada

The Gardnerville Water Company operates a 24/7 construction water fill station located at 1579 Virginia Ranch Road, Gardnerville, Nevada. **Construction water can only be taken from this facility within the Gardnerville Water Company District Service area serving the Town of Gardnerville, Nevada.** The facility has an overhead fill and a 2 ½ inch fire connection. Contractors who wish to utilize the GWC water fill station must request and fill out an Application for Tanker Water and return the completed form to the Gardnerville Water Company at 1579 Virginia Ranch Road, Gardnerville, Nevada 89410 or fax the completed form to GWC at 775-782-2491. Construction water is billed out on a monthly basis at \$3.00 per 1,000 gallons.

For more information on Applications for Tanker Water, contractors may call our office at 775-782-2339.

If you wish additional information, please call me at the above listed number.
